#### SHE LIKES IT!

ASK any housewife who has changed the family table drink from harmful coffee to helpful INSTANT POSTUM whether the change has been a success.

The answer may well induce you to make the change yourself.

Less "nerves," better temper, clearer complexion, improved digestion and steadier heart after a trial, demonstrate conclusively that the change from coffee to POSTUM is a wise move for the whole family.

Surrounded by soldiers at an army post, he had set his heart on becoming a soldier; but, coming east to enter a military academy, he drifted into acting. When but twenty-four years of age, he was playing leading roles with Madame Modjeska or Broadway. In "The Squaw Man" he began his delineation of western parts.
